CORE EMPHASIS **THIS SEASON**

In our pursuit to ensure that no place, person, language or people is left, we are strategic through the following initiatives and more.

Foreword

“For the Lord your God is the one who goes with you to fight for you against your enemies to give you victory.” (Deuteronomy 20:4, NIV).

Dear Beloved in Christ, Prayer Warriors, and Mission Partners,
It is with a profound sense of expectation and gratitude that I present to you this edition of the NEMA Prayer Alert, covering the critical quarter of October 2025 to January 2026. This period, which bridges the end of one year and the dawn of another, is always a strategic time for reflection, recalibration, and renewed commitment. It is a season where we collectively seek God's face for the harvest fields of Nigeria and beyond.

The issue raised in this edition, amidst various mission burdens, is particularly significant as it is illuminated by the timely findings of HarvestScope 3.0, our newly released comprehensive research on the State of the Harvest in Nigeria. This groundbreaking work is not merely data; it is the voice of the harvest itself. It tells us where the light of the Gospel is shining brightly and, with even greater clarity, it pinpoints the deep shadows where millions still reside without the hope of Christ. HarvestScope 3.0 confirms that the harvest is indeed plentiful, but it also provides an unprecedented, detailed map of the specific labourers, resources, and strategies needed for each corner of our nation.

The findings challenge us, comfort us, and, most importantly, direct our prayers and actions with divine precision. They reveal both the encouraging growth of the Church in certain regions and the sobering reality of the vast, unengaged people groups in others. This research is a gift to the Body of Christ in Nigeria, a tool for stewardship and a catalyst for unity.

We thus have a reminder that the task is not for a select few but for every believer, every local assembly, and every mission agency,

united under the banner of Christ. The journey ahead is demanding, but we do not labour in our own strength. We are assured of His presence and His victory. Let us therefore approach the throne of grace with confidence, believing that as we pray in accordance with His will, He will move mountains and bring in the harvest.

Thank you for your steadfast partnership in the Gospel. Your prayers are the unseen engine of every mission breakthrough.

Yours in His Service,

Andrew Gwaivangmin

Executive Secretary,

Nigeria Evangelical Missions Association (NEMA)

BIBLE TRANSLATION AND SCRIPTURE ENGAGEMENT

As part of its strategic focus, NEMA facilitates Bible translation efforts among unreached and least-evangelised tribes in Nigeria, recognizing that access to the Scriptures in one's heart language plays a vital role in reaching the unreached and ensuring the continuous discipleship of believers. Beyond translation, we also promote Scripture engagement, helping communities interact meaningfully with God's Word in ways that lead to understanding, transformation, and obedience.

Is your ministry/church engaging any people group without the Scriptures in their mother tongue? Do well to notify us via +2348032864360, +2348134918599 or btd@nemanigeriamissions.org.

The Church/Missions Administrators Seminar is a 4-day seminar for Missions Administrators, Missions Accountants, Church Administrators and all those involved in facilitating the Missions enterprise to refresh and equip them with cutting-edge skills to excel in their roles to lubricate the engine of Mission work for effective output. The workshop typically covers a wide range of topics related to administrative management, including communication and interpersonal skills, organisational planning and strategy, financial management, human resources management, project management, and performance evaluation. A detailed map of Africa and surrounding regions, including parts of Europe, Asia, and the Middle East. The map shows various countries, cities, and geographical features. The title 'TIMOTHY LEADERSHIP TRAINING-TLT' is overlaid on the map in a large, stylized font.

TIMOTHY LEADERSHIP TRAINING-TLT

Equipping local leaders for mission is one of the ways NEMA works to spread the gospel throughout the world. Timothy Leadership Training has equipped thousands of local pastors and lay leaders, and the Holy Spirit has worked powerfully through these leaders to transform the lives of individuals and entire communities! Leaders who participate in Timothy Leadership Training are always excited to put what they learn into practice—and because of that, people have come to know Christ, churches have grown to be stronger and more sustainable, and entire communities benefit from development projects. Timothy Leadership Training is a curriculum of our partner and NEMA facilitate the seven modules in two contacts trainings with local pastors and lay leaders.

CONSULTATION

NEMA holds periodic consultations that center on strategic issues and engagements. Such consultations usually involve bringing together stakeholders to converse, strategise, commit and send forth to engage a focus/foci. These range from concentration on priority unreached people groups, peculiar development in mission, mission leadership, envisioning etc.

GLOBAL IMPACT TRAVAIL (GIT)

Global Impact Travail (GIT) is a dedicated intercessory platform that recognizes the vital role of effectual prayer in the Church's mission to a lost world. Rooted in a passion to see labourers thrust into unengaged harvest fields and aligned with God's global purpose to extend the blessings of the Gospel to the remaining unreached families of the earth, GIT is committed to standing in the gap for the nations.

We meet in person every **third Thursday of the month**, from **4:00 PM to 5:30 PM**, at **NEMA Headquarters, 91 Rayfield Road, Jos**. These sessions are also **streamed live on Zoom and across our social media platforms** to enable global participation.

Join us as we travail in prayer until the nations are birthed into worship before the Lamb.
