# CORE EMPHASIS THIS SEASON

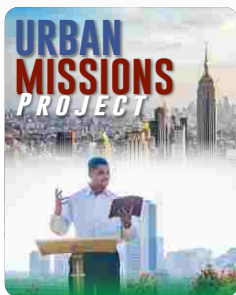

In our pursuit to ensure that no place, person, language or people is left, we are strategic through the following initiatives and more.

## COUNTDOWN 30 TO INITIATIVE

**Countdown to 30 Initiative:** is an initiative to encourage the adoption and engagement of thirteen tribes from the remaining unreached and least evangelised people groups in Nigeria.

**Vision 5015 Plus:** a bold mandate to mobilise 50,000 Great Commission advocates, train, send, and support 15,000 missionaries to reach 34 core Islamic countries located within one-half of the 10/40 Window.

**Urban Missions Initiative:** is addressing the opportunities and challenges of sharing the gospel in rapidly growing cities across Nigeria and beyond, and engaging diaspora people in our city centres. A transformed city.

**Missions to Europe:** intentional re-engagement of the continent by mobilising Nigerian Christians in diaspora and at home to engage, establish partnerships, and share the gospel in Europe's spiritually needy regions.

# Foreword

As the Nigeria Evangelical Missions Association enters another significant season in the advancement of God's Kingdom, we are grateful to present the June–September 2026 edition of the **Prayer Alert**. This quarter, we call the Church, mission leaders, intercessors, and believers across Nigeria and beyond to unite in fervent prayer for the work of missions at a critical time in our nation and the global harvest field.

The burden and focus of this edition revolve around the core emphases that God has placed before NEMA in this season — **Count Down to 30, Vision 5015 Plus, Urban Missions, and Mission to Europe**. These strategic initiatives remind us that the Great Commission remains unfinished and that the Church must respond with renewed commitment, sacrificial service, and persistent prayer.

As we journey toward the **Count Down to 30**, we reflect with gratitude on God's faithfulness to NEMA over the years while also looking ahead with expectation toward greater impact in mobilisation, missions collaboration, and the completion of the Great Commission. Through **Vision 5015 Plus**, we are reminded of the urgent need to engage unreached and least-reached peoples with the Gospel and the Word of God in languages and forms they can understand.

This quarter also highlights the growing challenge and opportunity of **Urban Missions**. Our cities are becoming major mission frontiers filled with migrants, youth populations, displaced communities, and people searching for hope and identity. The Church must rise intentionally to reach the urban centres with the transforming message of Christ.

In addition, we focus on **Mission to Europe**, recognising that many nations once known for vibrant Christianity are now experiencing deep spiritual decline and increasing secularism. God is calling the African Church, and particularly Nigeria, to participate actively in reaching this strategic region even as we heighten our global missions engagement in general.

We also remember in prayer the many missionaries serving faithfully in difficult and dangerous places across Nigeria and beyond. Many continue to labour under intense hardship, insecurity, isolation, and limited resources, yet they remain steadfast in obedience to God's call. We urge believers everywhere to pray for their protection, encouragement, provision, and fruitfulness in ministry.

Furthermore, this edition draws attention to the painful realities of persecution, violence, and displacement affecting Christian communities in several parts of Nigeria. Countless families have suffered loss, destruction, and displacement because of their faith. As the Body of Christ, we must stand together in prayer, compassion, advocacy, and practical support for our persecuted brethren.

***Prayer remains one of the greatest mission forces available to the Church. Every revival, every missionary movement, every transformed community, and every breakthrough in missions has been sustained by persistent intercession.*** We therefore invite individuals, churches, mission agencies, and prayer networks to use this Prayer Alert faithfully throughout the quarter.

May this edition inspire deeper passion for God's mission, greater unity within the Nigerian mission movement, and renewed commitment to the unfinished task of world evangelisation.

*"For the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea."* Habakkuk 2:14.

Yours in His Mission,

**Andrew Gwaivangmin**

Executive Secretary,

Nigeria Evangelical Missions Association (NEMA)

## Bible Translation and Scripture Engagement

As part of its strategic focus, NEMA facilitates Bible translation efforts among unreached and least-evangelised tribes in Nigeria, recognizing that access to the Scriptures in one's heart language plays a vital role in reaching the unreached and ensuring the continuous discipleship of believers. Beyond translation, we also promote Scripture engagement, helping communities interact meaningfully with God's Word in ways that lead to understanding, transformation, and obedience.

Is your ministry/church engaging any people group without the Scriptures in their mother tongue? Do well to notify us via +2348032864360, +2348134918599 or [btd@nemanigeriamissions.org](mailto:btd@nemanigeriamissions.org).

## CHURCH/MISSIONS ADMINISTRATORS' TRAINING WORKSHOP

The Church/Missions Administrators Seminar is a 4-day seminar for Missions Administrators, Missions Accountants, Church Administrators and all those involved in facilitating the Missions enterprise to refresh and equip them with cutting-edge skills to excel in their roles to lubricate the engine of Mission work for effective output. The workshop typically covers a wide range of topics related to administrative management, including communication and interpersonal skills, organisational planning and strategy, financial management, human resources management, project management, and performance evaluation. Participants may also receive training on specialised software and technology tools commonly used in administration. It also creates a network and forum for the cross-pollination of ideas among church and mission administrators in Nigeria.

# TIMOTHY LEADERSHIP TRAINING-TLT

Equipping local leaders for mission is one of the ways NEMA works to spread the gospel throughout the world. Timothy Leadership Training has equipped thousands of local pastors and lay leaders, and the Holy Spirit has worked powerfully through these leaders to transform the lives of individuals and entire communities! Leaders who participate in Timothy Leadership Training are always excited to put what they learn into practice—and because of that, people have come to know Christ, churches have grown to be stronger and more sustainable, and entire communities benefit from development projects. Timothy Leadership Training is a curriculum of our partner and NEMA facilitate the seven modules in two contacts trainings with local pastors and lay leaders.

## CONSULTATION

NEMA holds periodic consultations that center on strategic issues and engagements. Such consultations usually involve bringing together stakeholders to converse, strategise, commit and send forth to engage a focus/foci. These range from concentration on priority unreached people groups, peculiar development in mission, mission leadership, envisioning etc.

## GLOBAL IMPACT TRAVAIL (GIT)

Global Impact Travail (GIT) is a dedicated intercessory platform that recognizes the vital role of effectual prayer in the Church's mission to a lost world. Rooted in a passion to see labourers thrust into unengaged harvest fields and aligned with God's global purpose to extend the blessings of the Gospel to the remaining unreached families of the earth, GIT is committed to standing in the gap for the nations.

We meet in person every **third Thursday of the month**, from **4:00 PM to 5:30 PM**, at **NEMA Headquarters, 91 Rayfield Road, Jos**. These sessions are also **streamed live on Zoom and across our social media platforms** to enable global participation.

Join us as we travail in prayer until the nations are birthed into worship before the Lamb.
